

♦ ****IS THIS FOR YOU?****

This system is for businesses that:

- Want a steady flow of real 5-star Google reviews
- Want to
- Want positive reviews to be automatically answered in their brand's voice
- Want their best reviews automatically posted on their social media profiles
- Want an effortless, fully managed reputation system
- Want to strengthen trust and attract more customers without extra work

♦ ****WHAT YOU GET****

- ✓ Full integration with your Google Business Profile (GMB)
- ✓ Automated sending of personalized review invitations via SMS and Email
- ✓ Each invitation includes a dynamic, personalized image greeting the customer by name
- ✓ Smart review filtering — unhappy customers are redirected to private feedback
- ✓ Automated, professional replies to all 4-star and 5-star reviews — written in your approved tone (serious, casual, fun)
- ✓ Automated posting of positive reviews and comments on your chosen social media (Instagram, Facebook, LinkedIn, etc.)
- ✓ Optional access to a live dashboard to monitor real-time invites, clicks, and reviews
- ✓ Monthly performance reports (PDF summary)
- ✓ Manual backup form for businesses without reservation/delivery software
- ✓ Full launch and setup within 5 business days
- ✓ Direct WhatsApp contact with your assigned senior developer for support at any time

Facts:

- **+5–9% increase in revenue** per additional star on Google
(*Harvard Business School – “The Value of Online Reviews”, 2017*)
- **+18% higher perceived value** for businesses with 4.5+ stars
(*Spiegel Research Center, Northwestern University*)
- **+70% more clicks** on Google Business profiles with 4.5+ stars and many reviews
(*BrightLocal Consumer Review Survey, 2023*)
- **+25% higher engagement** on social media when sharing positive reviews
(*HubSpot Social Media Trends Report, 2023*)
- **1.7x more trustworthy perception** for businesses that reply to reviews
(*BrightLocal*)
- **+30–40% higher response rate** with personalized review invites (images with customer names)
(*Internal system data – tested with 12,000 clients over 6 months*)
- **+75% more profile visits** for businesses with over 50 reviews
(*Moz Local Search Ranking Factors Survey, 2022*)

◆ ****HOW IT WORKS — STEP BY STEP****

****Immediately After Payment:****

1. You receive a Welcome Email with:
 - Short onboarding form (business name, logo, tone of communication, Google Profile access)
 - Direct WhatsApp contact to your senior developer
2. You fill out the onboarding form (3–5 minutes)

****System Setup:****

- Developer configures your dedicated workspace
- Connects your Google Business Profile (GMB)
- Integrates SMS (Twilio) and Email (Mailgun) services
- Prepares personalized review invitations with images including each customer's first name
- Sets up automation for sending review requests after service/delivery/completion
- Configures smart filtering (bad experiences redirected to internal feedback)
- Builds a smart reply bot to answer all 4- and 5-star reviews automatically
- Configures social media posting: your best reviews are shared automatically where you choose
- Internal test of the full system (review requests + replies + posting)

****System Launch:****

- QR code for review capture is generated and delivered
- System goes fully live — customer experiences trigger the review engine
- Every positive review is answered professionally within minutes
- Positive reviews and comments start appearing on your social media
- You receive monthly reports, and you can monitor stats in real-time if you wish

◆ ****WHAT WE NEED FROM YOU****

- ✓ Admin access to your Google Business Profile (GMB)
- ✓ Your brand's logo and preferred communication tone (professional, friendly, playful)
- ✓ Optional: past client list (CSV format) to boost initial reviews faster
- ✓ Social media accounts where you want reviews shared (Instagram, Facebook, LinkedIn)
- ✓ One-time onboarding form submission (we guide you through it)

◆ ****RESULTS YOU CAN EXPECT****

- ✓ Higher Google star rating and visibility
- ✓ Much better customer trust and stronger brand perception
- ✓ More leads and easier sales without extra work
- ✓ Stronger social media presence, showcasing real testimonials

✓ Fully automated reputation management — freeing you to focus on growing your business

◆ ****PRICING PLANS****

****Option 1: Standard Monthly Plan****

- \$250 per month (pay-as-you-go)
- Cancel anytime with 7 days' email notice

****Option 2: 3-Month Launch Package (Save \$250)****

- \$500 total for the first 3 months (first month FREE)

After 3 months, your service continues month-to-month at \$250 unless canceled

You will receive a call 7 days before the end of your 3-month period to confirm if you wish to continue the service.

◆ ****HOW TO ACTIVATE****

- ✓ Click the secure Stripe payment link below
- ✓ Complete your short onboarding form
- ✓ Sit back — we handle the full setup and launch in 5 business days

Once your payment is made, you automatically agree to the terms of this offer — simple and transparent.
